Re: Various causes in the Bellaries area and Bangalore city in Sept 46

In the Note (Viz., 88 Supervisors and 379 Enumerators connected) was delayed as the papers had been misplaced. He has added that the delay in his case was also due to "the many vicissitudes following the bifurcation of the Bangalore district and consequent dislocation of work." In the circumstances the recommendation that D.T.S for the payment of remuneration at Rs. 5/each to the 92 additional Enumerators and Supervisors employed for various causes may be sanctioned with financial concurrence. The proposal involves an expenditure of Rs 460/- only.

Dated the 31st August, 1949.

To

The Secretary to Government,
Public Health, Food & Civil Supplies
Departments, Bangalore.

Sir,

Subject:- Ration Census 1946 - Remuneration to Enumerators and Supervisors employed in Bangalore Belt Area.

I write to state that Government sanction is accorded in G.O. No.SD.1847-30/A.82-46-2 dated 6/17-8-1946, for employing 300 Enumerators and 75 Supervisors at an allowance of Rs.5/- each, in connection with the Ration Census taken in the Belt Area around Bangalore City during 1946. But the Deputy Commissioner, Bangalore (Urban) District reports in his letter No.703/A/49(FD) dated 9-5-49 and 18-8-49, that against the above sanctioned staff, it became necessary to employ actually 379 enumerators and 88 Supervisors. The need for the additional staff is stated to be due to the fact that it was originally estimated that each enumerator has to be allotted 50 houses each, but due to practical difficulties only 50 families could be allotted to each. Since the extra staff who worked during the Census have applied and are pressing for payment of the allowance as was given to others he requests for obtaining the necessary sanction to this staff and for payment of the remuneration to them. The Deputy Commissioner has explained the delay in sending up this recommendation was due to the misplacing the connected records during the heavy work at the time of the bifurcation of Bangalore District and requests that the delay to be condoned.

In these circumstances, I request you to kindly obtain orders of Government for payment of the allowance at Rs.5/- even to the additional enumerators and supervisors.

Yours faithfully,

DIRECTOR OF FOOD SUPPLIES.

Letter No.703/A/49(FD) dated 18th August 1949 from the Deputy Commissioner, Bangalore District (Urban) and Chief Rationing Officer, Civil Station, Bangalore, to the Director of Food Supplies in Mysore, Bangalore.

Subject: Ration Census 1946 - Remuneration to enumerators and supervisors employed in the Bangalore Belt Area--Your letter No.E.4.776/ C.7209/48-49 dated 30-7-1949.

The Sub Division Officer, Bangalore.Sub Division, who was the Officer-in-charge of the belt area Ration Census work, had made a recommendation in December 1946 for the sanction of remuneration to the additional staff employed in the Belt Area Ration Census work. The staff also who were employed for the work, sent their claims for remuneration both to the Dist.Office and to the Chief Minister and the Revenue Minister. The original papers relating to these are herewith sent for favour of reference and return. Owing to heavy rush of work in the old District Office, this question of payment of remuneration to the staff was delayed, and the papers having been misplaced. The delay is also due to the many vicissitudes following the bifurcation of the Bangalore District and consequant dislocation of work.

In the circumstances explained above, I request that the delay in the recommendation for remuneration to the Additional staff employed for the Ration Census work, may kindly be condoned and the Government addressed for early sanction for payment of the remuneration.
